Aloha Jon Nouchi,

Thank you for the opportunity to review the *Summary of Honolulu Rail Transit Project (H RTP) Section 106 Programmatic Agreement (PA) Stipulation IX.C Monitoring Proposed Demolition of Historic Resources Built before 1969 in the Project Study Area* report for 2014 (2014 Demolition Report), received by the Hawai'i State Historic Preservation Division (SHPD) on May 6, 2015. Per Stipulation IX.C, *Measures to Address Reasonably Foreseeable Indirect and Cumulative Effects Caused by the Project*, of the Programmatic Agreement Among the US Department of Transportation Federal Transit Administration, the Hawaii State Historic Preservation Officer, the United States Navy, and the Advisory Council on Historic Preservation Regarding the Honolulu High-Capacity Transit Corridor Project in the City and County of Honolulu, HI (PA), the Hawaii State Historic Preservation Division (SHPD) has reviewed the 2014 Demolition Report and determined that it is consistent with the requirements of the PA and previous consultation. SHPD requires no further work or corrections and accepts the above cited document as the final draft.
